

Integration testing - report

Council selection

- The number of councils on the frontend and DB are exactly matching.

binfluence

Please select your Home Council

Welcome to binfluence!

We have created a space to make it easier for you to divert waste from landfill and find options to rehome/reuse/repair and recycle your items.

Search for your Home Council

Ln 1, Col 1

Bin selection

- The bins for Australian territory are listed correctly. There are 4 bins for Australian Capital territory.

Item selection

- On selecting general waste bin for ACT the can/can't go in matches the DB data.
